2015-2016 Academic Year

Dear Parents;

After praying for the school, meeting with the elders of the church, and the staff of the school, we feel we are being led of the Lord to allow students to come to Living Waters Christian School, regardless of their family's financial situation. We know that times are hard and trying for all families. We know that there are families that can afford full tuition, and we need them to continue to pay, but there are families that want their children here and can only afford a portion.

The Lord spoke to me from the book of Acts where they all gave and no one had lack. (Acts 4:34 & 35). It wasn't equal giving, but equal sacrifice. In order for this to work, everyone needs to do as much as they possibly can. If we pool our resources together we believe the Lord will honor this step of faith and bless all involved.

If you are a family that would like to attend Living Waters Christian School but cannot afford full tuition, please request our financial aid application. We've partnered with Confidential Financial Services to help in this process. Unlike other financial aid processors, CFS does not tell us how much aid to award; they do provide us with a personal "*Financial Wellbeing Profile*" of your family to assist us in making the specific aid determination in prayerful partnership with you. Once your application is complete we ask you to **prayerfully** consider what you can afford and come meet with us to discuss what your tuition plan would be based on the CFS profile, your budget and **prayer**.

Understanding that it is our goal to continue to work with you to meet your child's education needs within **your** budget, while still meeting ours, open dialog is a crucial component of our tuition model. Without prayer and communication, it just won't work! If your financial situation changes significantly within the school year, we certainly would like to and need to know about it.

Spread the word! You may know families that would thrive in a Christian School environment. If you have not already enrolled, please call today to schedule a visit or have an application package sent to you. With God's grace, our school will be full, so this opportunity will be on a first come- first served basis.

Please pray for the school and families. We seek God's provision in sustaining this school and the preservation of our families.

Pressing forward for Him,

Pastor Gary Braley
Superintendent
